VENTI VENTI

Stiamo vivendo un periodo particolare dove gli eventi hanno investito ogni aspetto della nostra vita. C'è quindi necessità di energie nuove per affrontare con spirito innovativo i cambiamenti imposti.

La nostra risposta è stata trovare una soluzione con quello che meglio sappiamo fare: progettare e costruire LAMPADE.

È nata così una collezione dal design essenziale con prezzi di mercato competitivi, senza tralasciare però le linee guida che hanno caratterizzato la storia di EgoLuce in questi 40 anni di attività.

- * Affidabilità dei prodotti 100% made in Italy
- * 5 anni di garanzia
- * Riparabilità degli apparecchi

VENTIVENTI è quindi una collezione di lampade creata per soddisfare ogni segmento di mercato:

- semplice e veloce da realizzare,
- facile da installare
- personalizzabile per materiali, finitura o dimensione
- predisposta per attacchi standard.

Ogni singola lampada diventa così estremamente versatile grazie anche all'utilizzo di selezionate sorgenti luminose, con differenti temperature di colore e di lumen.

VENTI VENTI

EgoLuce reacts to change with renewed impulse: thinking, designing, creating a new collection of lighting solutions for the interior made 100% MADE IN ITALY.

VENTIVENTI is a new collection created to satisfy every market segment: clean and essential design, versatile aesthetics in shapes and sizes and a wide choice of light sources for every interior application, proposed in perfect harmony with the EgoLuce Design collection.

- Designed for public and private project
- Families of products that can be easily mix and match with each other in terms of material, finish and shapes
- Designed for simple and quick installation
- Customizable in a wide range of finishes
- Made with thermoplastic molds, blanking and turning shapes
- Equipped with lamp holders: GU10 - E27 - GX53

VENTIVENTI is a good response for lighting projects thanks to a wide selection of latest generation of light sources proposals.

- * Made in Italy 100%
- * 5 year guarantee
- * Repairable appliances
