**COLOR BEBOP**  
collection

**TIMBER** | Teakwood FSC

**IRON FINISHES** | Black

## MATERIALS

Available in Teakwood FSC combine with Black iron finishes that brings to it different shades of industrial flare. The collection makes a statement about the owner's sophisticated sense of style and design.

## COLOR BEBOP

collection

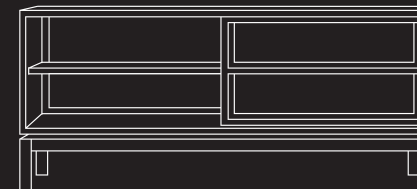

With its unusual blend of materials the Color BeBop collection is a statement of courage and style that reveals its owners love for experimental design.

The natural teak wood is intercepted by iron and metal mesh in vintage black colors, which gives the collection a head turning industrial flare. The structure is defined by square simplicity, both front and back, making the pieces suitable also as room dividers.
