

Where to Buy Corian® Solid Surface

Find a Corian® Design Home Design Partner
(certified kitchen & bathroom showroom)

Corian® "Home Design Partners" are an initiative set up to deliver the best in Corian® design and technical expertise to home owners.

The "Home Design Partner" initiative consists of selected kitchen, bathroom and furnishing showrooms that are qualified to offer consumers the highest level of expertise in promoting and designing Corian® worksurfaces. Staff have been trained to the highest level and have the full back-up and support of Corian® - from the latest colours and innovations, through to technical advice and post-installation care guidance.

These showrooms work together with fabricators known as “**Industrial Partners**” which also belong to the overall “**Corian® Quality Network**”. Designs in Corian® that have been fabricated by these Industrial Partners and sold by Home Design Partners are backed by the “**10 Year DuPont Limited Installed Warranty**”.
