DALLAGES

Since always, A Cimenteira do Louro focuses on the quality, variety and beauty of its products. New challenges require new trends. The sturdiness and distinction remain unchanged. ACL presents its new floors, for interiors and exteriors, which promise to transform special places into unique ones. The durability and aesthetic strength of these floors promise original spaces that endure in time and memory. Either in a more cosmopolitan or in a more bucolic style, the ACL floors can be adapted to different realities. They define an attitude. It's hard to find the place where we belong. But now it's easier to make it ours.

Desde sempre, A Cimenteira do Louro aposta na qualidade, variedade e beleza dos seus produtos. Novos desafios exigem novas tendências. A robustez e distinção mantêm-se inalteradas. A ACL apresenta os seus novos pavimentos, para interiores e exteriores, que prometem tornar sítios especiais em lugares únicos. A durabilidade e o vigor estético destes pavimentos prometem espaços originais que perduram no tempo e na memória. Num registo mais cosmopolita ou num estilo mais bucólico, os pavimentos da ACL adaptam-se a diversas realidades e não só. Definem uma atitude. É difícil descobrir o lugar a que pertencemos. Mas agora é mais fácil torná-lo nosso.

Depuis toujours, A Cimenteira do Louro investit dans la qualité, la variété et la beauté de ses produits. De nouveaux défis demandent de nouvelles tendances. La robustesse et la distinction restent inchangées. ACL dispose de nouveaux dallages, pour intérieur et extérieur, destinés à transformer des lieux spéciaux dans des lieux uniques. La durabilité et la vigueur esthétique de ces dallages promettent des espaces uniques qui perdurent dans le temps et dans la mémoire. Dans une version plus cosmopolite ou avec un style plus bucolique, les dallages d'A Cimenteira do Louro s'adaptent à diverses réalités, en définissant également une attitude. Il est difficile de trouver le lieu où nous appartenons. Mais maintenant, il est plus facile de le faire nôtre.
