NATURAL STONE COLLECTION

Part of
A part of history for all spaces. Time is an endless molding measure, its passage through the stone creates unique forms and changes the material at will. This makes the fragments extraordinary and unmatched.

Part of you
Una parte de la historia para todos los espacios. El tiempo es una medida infinita moldeadora, su paso por la piedra realiza formas únicas y cambia el material a su voluntad. Esto convierte los fragmentos en extraordinarios e inimitables.

Une partie de l'histoire pour tous les espaces. Le temps est une mesure de moulage infinie, son passage à travers la pierre crée des formes uniques et modifie la matière à volonté. Cela rend les fragments extraordinaires et inimitables.

Timelessness is the main value that natural stones can offer to interior decoration and architecture in a project. A material that, thanks to its particular beauty, never goes out of fashion and can remain in a space without time affecting it. At L'Antic Colonial we are aware that no two natural stones are the same, so each stone offers a different value to the architecture of the house.

La atemporalidad es el principal valor que las piedras naturales pueden ofrecer a la decoración y arquitectura de interior en un proyecto. Un material que gracias a su particular belleza nunca pasa de moda y puede permanecer en un espacio sin que el tiempo haga mella en él. En L'Antic Colonial somos conscientes de que no existen dos piedras naturales iguales, por lo que cada piedra ofrece un valor diferente a la arquitectura de la vivienda.

L'intemporalité est la plus grande valeur que les pierres naturelles peuvent offrir à la décoration intérieure et à l'architecture dans un projet. Un matériau qui, grâce à sa beauté particulière, ne se démode jamais et peut rester dans un espace sans que le temps n'y fasse des entailles. Chez L'Antic Colonial, nous sommes conscients qu'il n'y a pas deux pierres naturelles identiques, donc chaque pierre offre une valeur différente à l'architecture de la maison.
