

# 7712 Captain's Bar

The modern, unique design of the dyrlund 7712 captain's bar offers a lot of features.

The cabinet takes up very little space in closed position but can be opened and extended. Linoleum is built into the flaps offering easy maintenance, while the solid drawers and the two built-in snack-, olive-, lemon or ice holders are nicely integrated.

Combined with the "hidden" wheels the bar is most suitable as a serving cart.
