collection E_Volution

_IT Se negli anni scorsi abbiamo intrapreso un percorso stilistico con le collezioni E_Spirit ed E_Motion, oggi, Vibieffe esprime la sua maturità stilistico-creativa con la collezione E_Volution. E_Volution, per noi, significa proseguire la nostra evoluzione, senza negare il passato, fondamentale per la nostra memoria. E_Volution segna per Vibieffe l'inizio di una nuova epoca. Dopo aver, infatti, festeggiato i nostri primi 50 anni di attività, abbiamo iniziato il nostro percorso partendo da un prodotto "simbolico" per la storia di Vibieffe: il modello Evosuite e con il nuovo modello EVO abbiamo dato avvio alla nostra trasformazione. La collezione E_Volution si arricchisce di molti elementi e, accanto ai divani, oggi Vibieffe lascia spazio a complementi d'arredo, tavolini, librerie e lampade, per una proposta che trova ispirazione nella tradizione, ma con uno sguardo innovativo. Con la scelta di tessuti, pelli, metalli, marmi e nuovi materiali, Vibieffe si proietta verso scenari di gusto contemporaneo.

_EN If over the past few years we embarked on a stylistic journey with the E_spirit and the E_motion collections, today, Vibieffe expresses its stylistic-creative maturity with the E_volution collection. E_volution, for us, means continuing our evolution without denying the past, fundamental for our memory. E_volution marks for Vibieffe the beginning of a new era. Actually, after having celebrated our first 50 years of activity, we have started our journey from a "symbolic" product for Vibieffe history: the Evosuite model and with the new model EVO we have begun our transformation. The E_volution collection is enriched with many elements and, besides sofas, today Vibieffe gives importance to furnishing accessories, coffee tables, bookcases and lamps, for a proposal that finds inspiration in tradition, but with an innovative look. With the choice of fabrics, leathers, metals, marbles and new materials, Vibieffe is projected towards scenarios with a contemporary taste.
