#### AVVERTENZE IMPORTANTI

Per i rivestimenti "Tessuto Cliente", si consideri il prezzo dell'apposita categoria. Per la categoria "Pelle Cliente" si consideri un aumento del 30% sul valore della categoria "Tessuto Cliente". In caso di completamento dell'ordine in tempo successivo, non si garantisce l'uguaglianza del tessuto e della pelle tra la composizione iniziale e gli elementi aggiunti. Il risultato del completamento è quindi a totale rischio del Cliente. I prodotti rivestiti in pelle sono parzialmente sfoderabili, solo la scocca del divano viene fissata per una migliore riuscita del prodotto.

**Nel caso di ordini con tessuti coordinati appartenenti a diverse categorie, si applicherà il prezzo della categoria superiore.**

**Nel caso di ordini con diversi tessuti nella stessa categoria si applicherà un supplemento prezzo pari al 5%.**

**Nel caso di ordini con tessuto in colore fuori campionario, sarà addebitato supplemento di EURO 21 al metro lineare.**

Prima dell'invio di tessuti Cliente con rapporto nel disegno, consultare la Vibieffe per l'esatto metraggio occorrente.

La Vibieffe si riserva di valutare la difficoltà di taglio dei tessuti Cliente (rapporto, disegni, spessore ecc.) e, previa comunicazione al Cliente, di addebitare la manodopera supplementare eventualmente occorrente. I tessuti di proprietà Cliente che ci saranno inviati per la ricopertura di nostri modelli dovranno pervenirci in porto franco.

I colori dei tessuti e delle pelli inseriti nel campionario sono indicativi.

In caso di lavaggio, la Vibieffe non garantisce l'irrestringibilità e la tenuta della coloritura dei tessuti; pertanto, si consiglia di attenersi alle **istruzioni di lavaggio** riportate nel campionario tessuti.

**Senza alcun preavviso la Vibieffe si riserva il diritto di apportare modifiche tecniche sui prodotti.**

#### IMPORTANT REMARKS

For the coverings "Customer fabric", the price of the corresponding category shall be applied. For the category "Customer's leather", a 30% increase on the value of the category "Customer fabric" shall be considered. Once the order is completed in several times, we cannot assure the equality of the dyelots between the fabric and the leather of the initial composition and those of the added elements. Therefore the outcome of the composition is wholly at customer's risk.

The products in leather coating can partially be uncovered: only the base of the sofa is fixed for a better outcome of the product.

**For orders with combined fabrics belonging to different categories, the price of the highest category shall be applied.**

**For orders with different fabrics in the same category, we will apply an upcharge of 5% on the standard price.**

**Should you order a fabric in a colour which is not in our collection we will charge you with the amount of EURO 21 for each linear meter.**

For orders with C.O.M. fabric having pattern repeat, please ask Vibieffe the right meters needed before sending them. Vibieffe will check C.O.M. fabrics and, if there are troubles in cutting them (pattern repeat, drawings, thickness) after having informed the customer, Vibieffe will debit eventual additional manpower, if any.

C.O.M. fabrics must be sent to Vibieffe free of charge.

Fabrics and leathers colours included in the pattern book are indicative. In case of washing, Vibieffe does not grant for the unshrinkability of fabrics and fastness of colours. Thus, it is advisable to follow washing instructions mentioned in the pattern book.

**Vibieffe reserves the right to introduce technical modifications to the products without any prior notice.**

#### WICHTIGE HINWEISE

Für die Bezüge "Kundenstoff", ist der Preis der passenden Kategorie in Betracht zu ziehen. Für die Kategorie 'Kundenleder', einen 30% igen Aufschlag des Wertes der Kategorie "Kundenstoff" berechnen. Sollte der Auftrag in einer darauffolgenden Zeit vervollständigt werden, wird das Gleichsein des Stoffes und des Leders der Anfangszusammenstellung mit dem der hinzugefügten Elemente nicht versichert. Das Ergebnis der kompletten Zusammenstellung erfolgt also auf Gefahr des Kunden. Die mit Leder überzogenen Modelle sind nur teilweise abnehmbar; nur der Bezug des Korpus ist fest verpolstert.

**Bei Aufträgen von koordinierten Stoffen, die zu unterschiedlichen Kategorien gehören, wird der Preis der nächst höheren Kategorie verrechnet. Bei Aufträgen von verschiedenen Stoffen in der gleichen Kategorie wird ein Mehrpreis von 5% kalkuliert.**

**Im Falle von Bestellungen mit einer Stofffarbe nicht in unserer Kollektion, wird ein Aufpreis von EURO 21 pro lmt kalkuliert.**

Bevor Sie Kundenstoffe mit einem Rapport senden, erfragen Sie bitte Vibieffe nach dem genauen Stoffbedarf. Vibieffe behält sich vor, die Schwierigkeiten beim Zuschneiden von Kundenstoffen (wie Rapport, Muster, Dicke u.s.w.) dem Kunden mitzuteilen und eventuell die zusätzlichen Arbeitskosten in Rechnung zu stellen. Die vom Kunden zum Beziehen unserer Modelle gesandten Stoffe müssen uns frachtfrei geliefert werden.

Die Farben der Stoffe und Leder der Mustersammlung sind rein indikativ: Vibieffe haftet nicht dafür, dass die Stoffe beim Waschen nicht einlaufen oder farbecht sind; es wird also angeraten, den in der Mustersammlung angegebenen Waschanleitungen zu folgen.

**Vibieffe behält sich das Recht vor, technische Änderungen an den Produkten ohne Voranzeige einzuführen.**

#### REMARQUES IMPORTANTES

**Le revêtement en tissu de tous les modèles Vibieffe est entièrement déhoussable.**

Pour le revêtement en "tissu client" on doit considérer le prix de la catégorie correspondante. Pour la catégorie "cuir client" calculer une augmentation du 30% sur le prix de catégorie "tissu client". Si la commande est complétée ultérieurement, la concordance entre le tissu et le cuir de la première composition avec ces éléments ajoutés ne peut pas être assurée. Le résultat du complément est donc au risque du client. Les produits revêtus en cuir peuvent être déhoussés partiellement : seule la structure du canapé est fixée pour une meilleure réussite du produit.

**Dans le cas des commandes avec tissus coordonnés appartenants à des catégories différentes, on utilisera le prix de la catégorie supérieure.**

**Dans le cas de commandes avec tissus différents appartenant à la même catégorie, on considerera un supplément de prix du 5%.**

**En cas de commandes avec une couleur de tissu pas dans notre collection on va vous charger avec un supplément de EURO 21 à mt linéaire.**

Avant l'envoi des "tissus client" en rapport avec le dessin, il faut demander à Vibieffe le métrage nécessaire exact. Vibieffe se réserve le droit d'évaluer la difficulté dans la coupe du "tissu client" (rapport, dessins, épaisseur etc.) et, avec préavis au client, de débiter le coût de l'éventuelle main-d'oeuvre supplémentaire. Les tissus envoyés par les clients pour le revêtement de nos modèles devront être livrés port payé.

**Les couleurs des tissus et des cuirs de la collection échantillons sont indicatives.**

Vibieffe n'assure pas le fait que les tissus puissent rétrécir ou déteindre après lavage. Nous conseillons donc de suivre les **instructions de lavage** indiquées dans la collection d'échantillons.

**Sans aucun préavis Vibieffe a le droit d'apporter des modifications techniques aux produits.**

**RISERVATO DOMINIO**

La merce viene venduta con patto di riservato dominio, pertanto il trasferimento della proprietà al compratore avverrà solo al momento dell'integrale pagamento del prezzo e di ogni altro eventuale credito accessorio.

Laddove il pagamento del prezzo sia pattuito mediante assegni, cambiali, effetti, cessioni, etc.. il trasferimento della proprietà avverrà con l'effettivo pagamento, anche nel caso in cui il relativo credito venga inserito in un conto corrente. Qualora prima dell'integrale pagamento del prezzo il compratore trasformi la merce acquistata, la riserva di proprietà deve ritenersi estesa alla cosa risultante dalla trasformazione. Se la trasformazione comporta l'unione e/o la commistione con cose appartenenti a proprietari diversi, la riserva di proprietà si estende alla cosa risultante dalla trasformazione in misura pari al valore della merce venduta, quantificato in ragione del prezzo.

Nel caso in cui, nonostante il presente patto, la merce o la cosa risultante della trasformazione vengano vendute, la scrivente acquisirà il credito del compratore al pagamento del prezzo nei confronti del sub acquirente, nei limiti del prezzo della merce venduta.

**RETENTION OF TITLE**

The goods is sold with retention of title, so the transfer of property to the buyer, will be only at the time of full payment and of any other possible credit.

Where payment is agreed by checks, bills of exchange, promissory, banker's draft a.s.o... the transfer of ownership will take place only with the real payment, even if the credit will be insert into a Bank account.

If, before the full payment the buyer transforms the purchased product, the retention will be considered as extended to the resulting product from this process.

If the transformation leads the union and/or mixture of things belonging to other owners, the retention of ownership will be extended to what is the result from the process in equal value of the due amount to be paid.

If, despite this agreement, the product or the result of the transformed item, is sold, we will acquire the credit rights towards the sub-buyer for the due amount of due credit.

**EIGENTUMSVORBEHALT**

AGB Die Ware wird unter Eigentumsvorbehalt verkauft, so dass die verkaufte Ware solange im Eigentum des Verkäufers bleibt, bis der Kaufpreis u. alle zugehörigen Nebenkosten endgültig bezahlt sind. Der Verkäufer ist daneben berechtigt, bei Zahlungsverzug des Käufers die Sache zurückzuverlangen. Erfolgt eine Verarbeitung mit uns nicht gehörenden Gegenständen, so erwerben wir an der neuen Sache das Miteigentum im Verhältnis zum Wert des von uns gelieferten Gegenstandes zu den sonstigen verarbeiteten Gegenständen. Dasselbe gilt, wenn der gelieferte Gegenstand mit anderen, uns nicht gehörenden Gegenständen vermischt wird.

**RÉSERVE DE PROPRIÉTÉ**

Les produits sont vendus avec réserve de propriété, de sorte que le transfert de propriété à l'acheteur, sera seulement au moment du paiement intégral et de tout autre crédit possible.

Lorsque le paiement est accepté par chèques, lettres de change, ou autre titres, le transfert de propriété ne sera fait que au moment du paiement effectif, même si le crédit sera inséré dans un compte bancaire.

Si, avant le paiement intégral de la part de l'acheteur, il transforme le produit acheté, la réserve de propriété sera considérée comme prolongée pour le produit résultant de ce processus.

Si la transformation conduit à la liaison et/ou un mélange de choses qui appartiennent à d'autres propriétaires, la réserve de propriété sera étendue à ce qui est le résultat du processus pour la valeur du montant à payer.

Si, en dépit de cet accord, le produit ou le résultat de l'élément transformé, est vendu, nous allons acquérir les droits de crédit vers le sous-acquéreur pour la somme du crédits qui nous est dû.
